Board of Directors Election Fact Sheet

INTRODUCTION

The U.S. Green Building Council Central Texas – Balcones Chapter (USGBC CT-B) is a mission-driven, 501(c)(3) nonprofit dedicated to promoting the benefits of sustainable building and land development practices in Central and South Texas. USGBC CT-B serves community members from Austin, San Antonio, Waco, Rio Grande Valley, and the 72 surrounding counties, an area that encompasses over 6.5 million people and growing.

The Chapter has more than 500 members and an e-mail listserv of more than 4,000 interested people. The Chapter region boasts more than 1,000 LEED Accredited Professionals, over 100 LEED certified buildings, and more than 300 registered LEED projects in the planning or construction stage.

Our role is to educate, influence and advocate on the importance of sustainable communities, which ensure that we grow a healthy job market, save money so businesses can invest in doing the right thing, and healthy living, school and working environments are provided for all.

Founded in 2003, USGBC CT-B is the local chapter of the national U.S. Green Building Council (USGBC), the leader in promoting sustainable building practices throughout the country and developer of the LEED® rating system.

The Chapter presents education programs, advocates on the positive aspects of high performance building and provides networking opportunities between a wide variety of groups, including building and associated industry professionals, educators, lawmakers, and the community at large.

Our work is made possible by funding from sponsorships and donations, National and individual memberships, program revenues and grants.

Our Chapter Board of Directors consists of 17 representatives from a diverse range of disciplines associated with the Chapter's mission. This includes 15 voting Board members and 2 alternate Board members, who serve as non-voting members of the Board until in the event that a Board seat becomes vacant prior to the end of a term they are invited to fill the seat.

Each year the Chapter holds formal Board elections in accordance with our Chapter Bylaws. The Chapter's long-term objective is to have a diverse Board representing both geographic and membership diversity.

This year, eight (8) Board seats are available, each for a two-year term and seven (7) Board members will return to serve the second year of their current term. Additionally, one of the two (2) Board alternate positions is available. Current Board alternates may apply for a voting position on the Board in the following year's elections.

CANDIDATE QUALIFICATIONS

Qualified candidates for the USGBC Central Texas - Balcones Chapter Board of Directors shall meet all of the following criteria:

- 1) The primary residence of the Candidate shall be located within the geographic boundary of the Central Texas-Balcones Chapter.

- Professional Firms – Building Industry (Architects, Commissioning Providers, Consultants, Engineers, Landscape Architects, Planners)
- Professional Firms – Non-Building Industry (Accountants, Attorneys, Marketers, Public Relations, Communications, Media)

Each year there are six face-to-face Board meetings (January, March, May, July, September and November on the second Monday of each month from 3:00-5:30 p.m.) and one conference call Board meeting (February, also on the second Monday of that month). Board members are encouraged to physically attend all meetings, as meeting in person supports a healthy BOD relationship and encourages completion of BOD business in a timely manner.

More than two absences from the seven total meetings will provide grounds for Board dismissal. Since a call-in to a face-to-face meeting is more participation than no participation, two call-ins will be allowed in lieu of one of the absences.

ELECTION PROCEDURE

The election will be conducted on-line. Each Chapter member will have the opportunity to cast votes for up to eight (8) candidates. WRITE-IN CANDIDATES

Chapter members may vote for a write-in candidate(s) during the election period by adding a name(s) to the ballot. Write-in candidates are not part of the slate put before the membership by the Nominations Committee and cannot be represented as such; nor is the Chapter obligated to distribute any informational materials on write-in candidates on its Web site or in any other Chapter forum. Write-in candidates are also subject to the same campaign guidelines described above relating to Internet and other communications.
