Who we are

The Central Texas – Balcones (CTB) Chapter is a visible catalyst for change in Central Texas. We support the creation of communities that regenerate and sustain the health and vitality of all life. The Chapter is dedicated to progressive achievements toward sustainable building and land development practices. Through innovation, advocacy and partnerships - the Balcones Chapter leads a diverse bioregion encompassing the cities of San Antonio and Austin and outlying areas to a more sustainable future.

Leading the Way

The Balcones Chapter has been instrumental in progressing towards a sustainable built environment in Central Texas. The Chapter has worked with the cities of San Antonio and Austin to successfully adopt green building policy and recently influenced the Texas legislature on key environmental issues relating to energy use and water efficiency.
